Majoring in: Mechanical Engineering

4. Financial Need

A. Expected Family Contribution (EFC) from the Profile Financial Aid form, if known.

\$ _____

B. Parents Annual Income

Under \$30,000____ \$50,000 - \$70,000____ \$100,000 - \$130,000 ^x____
\$30,000 - \$50,000 ____ \$70,000 - 100,000____ \$130,000 - \$160,000 ____
Over \$160,000 ____

Unusual Financial Need (Please Explain) 14 month ago, my parents filed for
a Divorce and exhausted their financial resources. In the last month they hav
reconciled, unfortunately the issue of money for college did not get easier.

5. State Your Personal Goals and Aspirations (Use separate sheet of paper, if necessary.)

After attending college, I want to study for Master's degree in Mechanical
Engineering. My passion for the last few years has been cars. I have been
thinking of what i can invent to make cars better. I do not want to be a
mechanic, I want to be the one who is designing the car

Additional Information Required

- A letter of recommendation from an advisor/guidance councilor/or teacher. The recommendation should focus on how the student has worked up to his/her maximum potential.
- An official high school transcript.

The information presented is accurate to the best of my knowledge.
